Table S1

TABLE S1. ADULT STEM CELL CLINICAL TRIALS

Analysis of Trials at clinicaltrials.gov Related to Use of Adult Stem Cells

NOTES: Search of clinicaltrials.gov using different search terms (accessed 7 May 2007.) Column 1 shows the search term used. Column 2 lists the number of trials returned; this initial search returns only trials that are recruiting patients. Column 3 lists the total number of trials using the search term; after initial search for trials recruiting patients, click box in upper left of web page to show all trials, including those no longer recruiting patients. Column 4 lists the total number of trials related to use of adult stem cells, from analyzing each trial listed in the total.

Search term as typed into search box	Number of Clinical Trials Recruiting Patients	Total Number of Clinical Trials Listed	Total Number of Clinical Trials Listed Related to Use of Adult Stem Cells
stem cell	730	1471	1229
"stem cell"	677	1347	1300
stem AND cell	693	1404	1278
stem cell transplant	585	1186	1171
"stem cell transplant"	507	1001	996
stem cell transplantation or stem cells	578	1175	1158
