Science Online Tutorial Guidelines

1. Playing the tutorial

Start the tutorial by clicking the play button located in the center of the screen. Or use the play button located on the blue navigation bar.

2. Pausing, forwarding, and rewinding the tutorial

Go to the blue navigation bar:

Pause the tutorial at any time by clicking the pause button.

Use the forward and back buttons to jump to the next or previous scene.

Fast forward or rewind a scene by moving the gray button along the gray line.

3. Scene Selection menu

To view the tutorial table of contents, click the Scene Selection button located on the blue navigation bar. Close the menu by clicking the close button in the upper right-hand corner of the pop-up menu or click the Scene Selection button again.

4. Functional links

You will find clickable links highlighted in blue boxes at various places throughout the tutorial. Click on the links to learn more about *Science*.
